Latin Resources appoints consultants to build relations in Germany

Latin Resources Ltd (ASX:LRS) has appointed European investor relations consultants to assist in building relations with German-speaking retail and institutional investors.

Appointment of Frankfurt-based Deutsche Gesellschaft für Wertpapieranalyse GmbH (DGWA) will also position the company in the German-speaking media environment.

This appointment provides Latin Resources with the opportunity to expand the level of interest in its lithium, cobalt and copper strategy throughout Europe.

Complements German listing

It also complements the company's listing on German stock exchanges in Frankfurt, Berlin and Stuttgart.

The boutique European investment and financial markets consulting firm, founded by Stefan Müller, has assisted ASX-listed European Lithium Ltd (ASX:EUR) in a similar capacity.

Chris Gale, managing director said, "We are very pleased to have secured Mr Müller's services and his recent record speaks for itself.

"He is very experienced in the German markets and his investor following is exceptionally credible having recently been involved in developing investor support for European Lithium.

"The promotion to the sophisticated investors of Europe will enable Latin to get great exposure to a massive investor market in this region."
